### **Midwest Association for Public Opinion Research**

MAPOR is an association of professional researchers dedicated to the collection, interpretation, and dissemination of information about American society. Our membership includes government researchers analyzing social issues and trends in our society, business marketing and research executives collecting and interpreting data for corporate planning, and academicians in a variety of social science disciplines and business schools. MAPOR is a regional affiliate of AAPOR — the American Association for Public Opinion Research. AAPOR is one of the oldest professional organizations for social scientists in the United States.

Membership is \$30 (\$20 for students), inclusive of the annual conference fee. Membership exclusive of the annual conference fee is \$15 (\$10 for students). Send checks payable to MAPOR to:
